Chief Justice Sewell Simmons

"The judicial power of the McLane Senior High School student body shall be vested in the Student Court." The authority exercised by the court is derived from this quotation from our Student Body Constitution. The purpose is not only to mete out justice but to protect the rights of each and every member of the student body.

The court begins to function when the Safety and Welfare Committee issues a citation to a student for misconduct in the cafeteria or on the campus. A panel of five justices renders decisions and interprets the Constitution in any cases that come before it.
