Rick Wegley  
Most Persevering

Backfield Coach Chris Natsues

This year's Sophomore Football team was made up of many outstanding young players who are on their way to becoming next year's varsity and "B" football stars. These boys worked hard and played hard all season, showing much potential for bigger and better things in their future years at McLane.

At the fall sports banquet Bill Briggs was named the most valuable Sophomore player; Rick Wegley was named the most persevering; and Bill Stevenson was chosen the team captain.
